

Freestanding white metal stand for hanging cradles - TRIPOD

Please read carefully and use according to the instructions!

INSTRUCTIONS FOR USE

Dear customer, dear mom, dear dad, we are pleased that you have decided to purchase a metal stand for the Hojdavak Baby hanging cradle. Thank you for your purchase!

Your Hojdavak team

PURPOSE OF USE

- The stand is used to hang the Baby cradle.
- For reasons of stability, the stand can only be used for vertical swinging, i.e. ownwards or for slight swinging to the sides.
- Can be used indoors.

The maximum load capacity of the stand is 25 kg.

BEFORE USE

- Read all instructions in the manual carefully.
- Keep the manual for future reference.
- Always place the product on a flat and stable surface.
- Keep all small parts and packaging materials of this product out of the reach of children.

POKYNY PRO VRÁCENÍ /REKLAMACI

- DO NOT THROW AWAY THE BOX AND ORIGINAL PACKAGING
- If you request a return within 30 days, the goods must be returned in the original box with the original packaging.
- In the event of a complaint, take a photo of the damaged part and send it to info@hojdavak.cz.
- When sending, the metal rods must be wrapped in plastic or stretch film and carefully tied together with fixing tapes, as they were packed during delivery, otherwise there is a risk of damage to the paint.
- In the event of damage to the stand during return due to insufficient packaging and fixing, the seller reserves the right to demand compensation for damages.
- Returned goods must be sent to the seller's contact address listed on the website www.hojdavak.cz. An integral part of the return is the invoice for the returned goods.
